NHEC lines can be identified by a metal tag attached to the pole with the following letter initials "NHE CO-OP" followed by a line identification number and a pole number usually immediately under the co-op label.

In accordance with the N.H. Division of Pesticide Control Regulations, individual landowners whose receive individual notification, fill out the attached Notification Request Coupon and return to the address as indicated below no later than **JUNE 1st, 2023**. Requests received after this date will not be considered for this treatment cycle.

In addition to the written notification, individual landowners whose property abuts or over whose property the right-of-way passes, have the right to request and receive the approximate date, (within 5 days before or 5 days after the actual date of application) that herbicides will be or have been applied in your area.

Further information may be requested by contacting: VCS (Consultant to NHEC) Michael Couture, Project Manager - 2342 Main Street, Athol, MA 01331, Telephone 603-325-3227.

COUPON FOR PERSONAL NOTIFICATION REQUEST:

NAME: _____ TOWN OF AFFECTED PROPERTY: _____
