[www.Pemibakerba.org](http://www.Pemibakerba.org)

**We'll be meeting in person and via Zoom.**

**Welcome and call meeting to order**

- Any new and guests members – please introduce themselves

**Business Meeting**

- Minutes
- Treasurer's Report
- Bee School update

**Vote on bylaws**

**Rick Green to discuss HB 1698 - Use of drones for the aerial application use of pesticides**

**Gerard to discuss the hearing on proposed changes to the requirements for the keeping of honeybees**

**Gerard demo pollen feeders**

**Bee Talk**

- What's happening in March
- How are your bees doing?
- Feeding (sugar bricks, sugar syrup and pollen)
  - Bees may be able to bring some pollen into the hive but with growing population and limited resources, the risk of starvation is high.
- Electric Fencing
- Watch for bees bringing in pollen
  - Pussy willow, witch hazel, maple trees start blooming this month
- Check where cluster is located
- Clean dead outs

**Close of Meeting**
